## Epilogue

*Now that the 1982 Empescope is complete, we hope you will enjoy it and find that there are many memories for you throughout it.*

*We would like to give our sincere appreciation to everyone who helped to make this yearbook a success. We would also like to express our gratitude to Mr. Winters, Mrs. Evans, and the annual staff for the time they spent working to help us meet our deadlines. If it*

*hadn't been for everyone working together, we wouldn't have made it.*

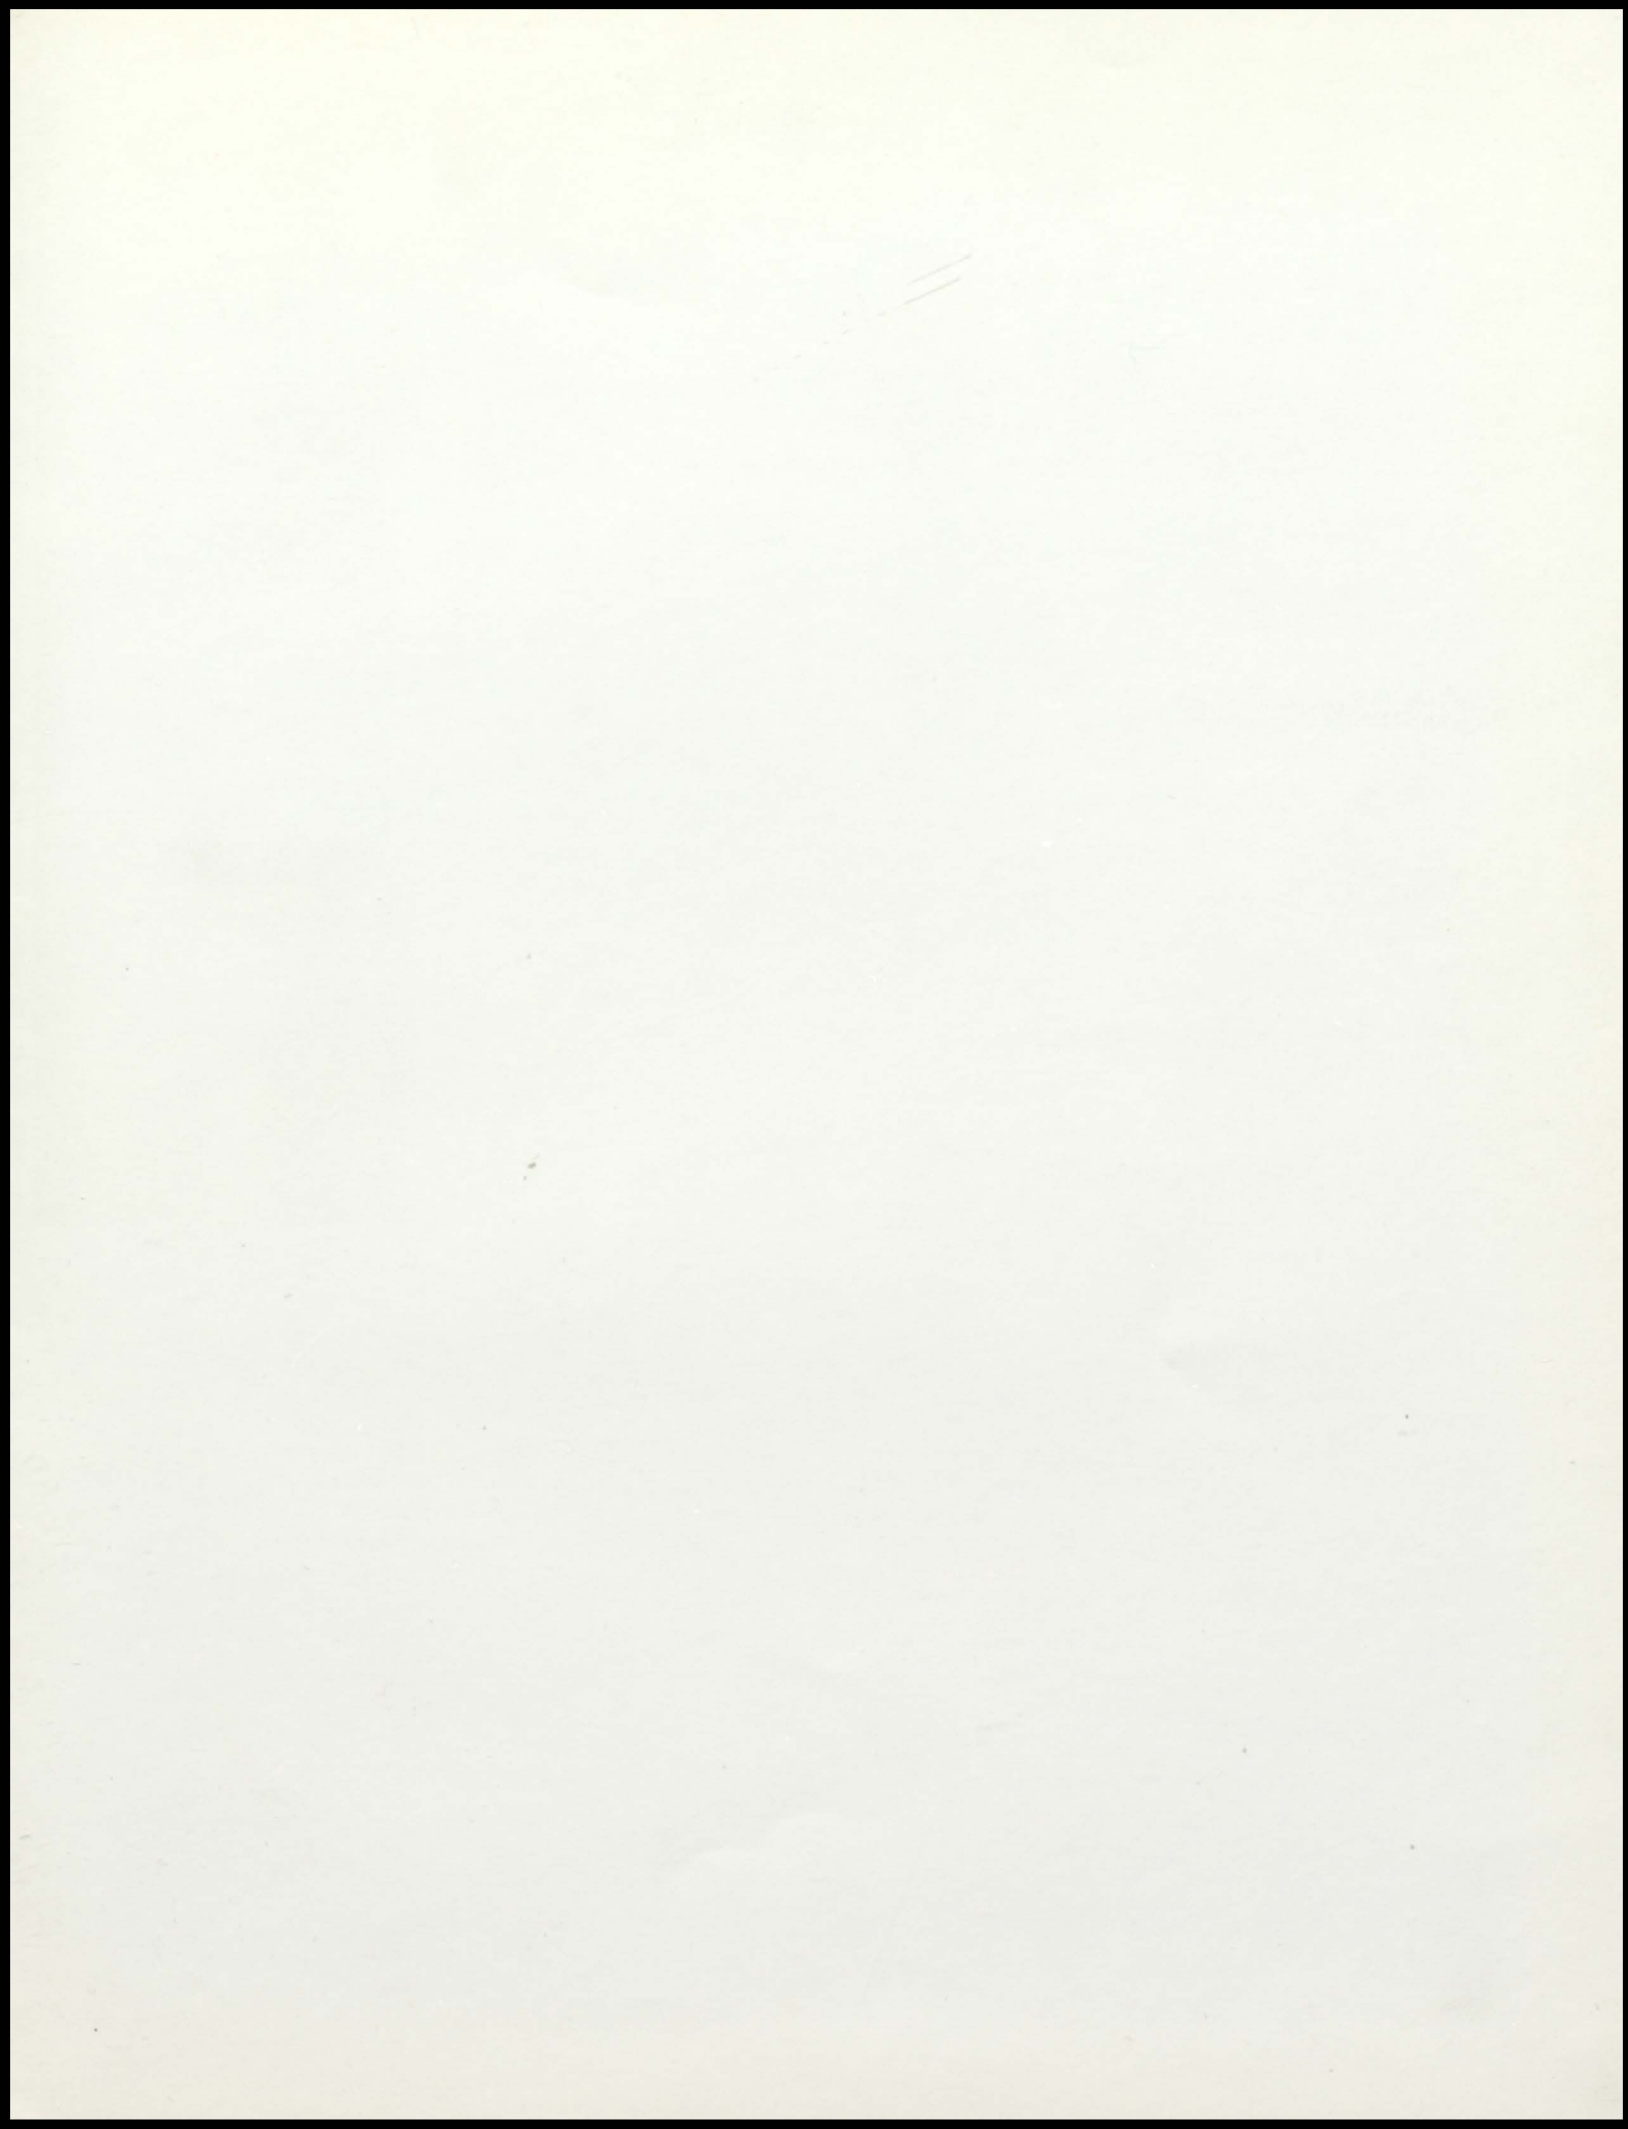

*As for the three of us editors, we feel that the 1982 creation of the annual has really been an experience and a joyous challenge. As we all go our separate ways, we'll always remember our memories at Mary Persons High School and the many friends we've made throughout the years.*
